CIS Learning Center
learn.cisoregon.org

Webinars

There are numerous webinar resources avialable through the CIS Learning Center. Here are a few ways to access webinars through the CIS Learning Center's homepage at learn.cisoregon.org:

WEBINARS

The WEBINAR section on the Learning Center homepage lists the monthly live webinar. This webinar is typically scheduled for the last Thursday of the month from 10:00 - 11:00 A.M.

ONLINE LEARNING

Click anywhere in the "Online Learning" section of the site, or select Online Learning from the 'Quick Links" section, to log in and access tutorials reviewing the course catalog and content; making course assignments; adding content and policies; utilizing notifications, approval manager, and more.

Once logged into the Course Catalog, select "CLC Trainings" from the selections under "Categories", then select Go button.

FEATURED COURSES

Featured courses are listed to the right of the Learning Center's homepage with direct links to key Learning Center webinars.
