TRAINING ANNOUNCEMENT

Safe Driver Training: Driven to Distraction

Motor vehicle collisions are the number one cause of work-related fatalities — and distractions are the leading cause of motor vehicle accidents. These accidents can cause significant costs for employers in lost wages, employee absenteeism, property damages and more. Join your CIS Risk Management Consultant to review of safe driving skills and techniques for how to avoid collisions.

TRAINING OBJECTIVES

- Identify causes of distracted driving-related motor vehicle crashes
- Enhance awareness for the consequences of distracted driving
- Learn Defensive Driving Behaviors
- Identify tips and tools for safe driving
- Reduce the likelihood of being involved in a motor vehicle accident due to distracted driving.

INSTRUCTOR

Laurie Kemper, CIS Senior Risk Management Consultant

WHO SHOULD ATTEND?

Employees who operate a motor vehicle on behalf of their employer.

REGISTRATION:

Registration for CIS on-site trainings are processed through the CIS Learning Center, learn.cisoregon.org, and will require a login to the site. New Learning Center users will be asked to create an account. Visit [quick tips](#) for how you can register for a class through the CIS Learning Center.

Handouts are NOT provided at the event. Approximately two days before the event, you'll receive an email with a link to CIS' Activities Page. You're encouraged to view, print and download workshop materials so you can bring them with you to the training.
